BOENK! Let's go!

Mini superhelden/Mini superheroes

For toddlers and preschoolers aged 2.5 to 5

16/08/2027 - 20/08/2027

A themed camp full of imagination, crafts, games, and active play

Put on your cape and straighten your superhero mask, because it's time for action! During the "Mini Superheroes" camp, toddlers and preschoolers discover that everyone has their own unique superpower. Together with their friends, they embark on exciting missions, face challenges, and experience a week full of adventure, fun, and imagination.💥

Every day features a brand-new superhero adventure: they run through obstacle courses like real heroes, practice their "super speed," sneak around quietly like spies, and use their "super vision" to spot secret clues. They help each other solve puzzles, discover hidden treasures, and outsmart imaginary villains.

Alongside action and adventure, creative superhero missions are also on the agenda. The children craft their very own superhero capes and masks, build secret hideouts, and make gadgets to assist them on their missions—giving full play to their imagination as they build their own superhero world.
By the end of the camp, these young campers emerge as true mini superheroes: filled with confidence, creativity, and determination.

After a morning packed with adventure and movement, there is always time set aside for rest. Children can relax in the cozy rest area with a book or take a nap in the quiet room to recharge their energy for the rest of the day.
